Voters to decide soon on Fire, Rescue building

Residents of the village and township will be asked in the near future to pass referendums authorizing the construction of a new safety building.

The bond referendums will be for a total of about \$1.2 million and the building would become the new headquarters of the Antioch Fire Department and Rescue Squad.

It would be built on the northeast corner of Orchard St. and Turner Dr., where the village has purchased land at an approximate cost of \$300,000.

AT MONDAY NIGHT'S village board meeting the First Fire Protection District, which includes most of Antioch township, agreed that the safety building should be a 50-50 venture ... in other words, the district would contribute half of the cost of construction and future operation, going into partnership with the village.

The fire department and rescue squads will still be "village entities," according to Tod Maplethorpe, fire chief.

"The thing that convinced us," said Ray Atwood, one of the fire district's trustees, "was the engineer's report that showed how inadequate the present fire station is." For one thing, the floors aren't sturdy enough to safely hold the fire trucks.

"Someday we're going to find them in the basement," village officials have said in the past, not exactly in jest.

THE FIRE PROTECTION district will try to produce about \$600,000 from its bond issue and the village probably will try to raise a similar amount.

Mayor Michael J. Haley adjourned Monday's meeting until next Monday at 8 p.m., when the date for a village referendum might be set.

The fire protection district has called a special meeting at 7:30 p.m. Thursday, at the fire station, to discuss when it can hold a referendum for its residents.

Then, the two taxing bodies will try to tell the people why they feel a new safety building is a necessity.

IN OTHER MATTERS Monday night, the village board voted 6-0 to accept a rezoning request for apartment buildings at 573 Main St., and 6-0 against a rezoning request to build condominiums at 332 Harden St. The board was following the recommendations of the village zoning board.

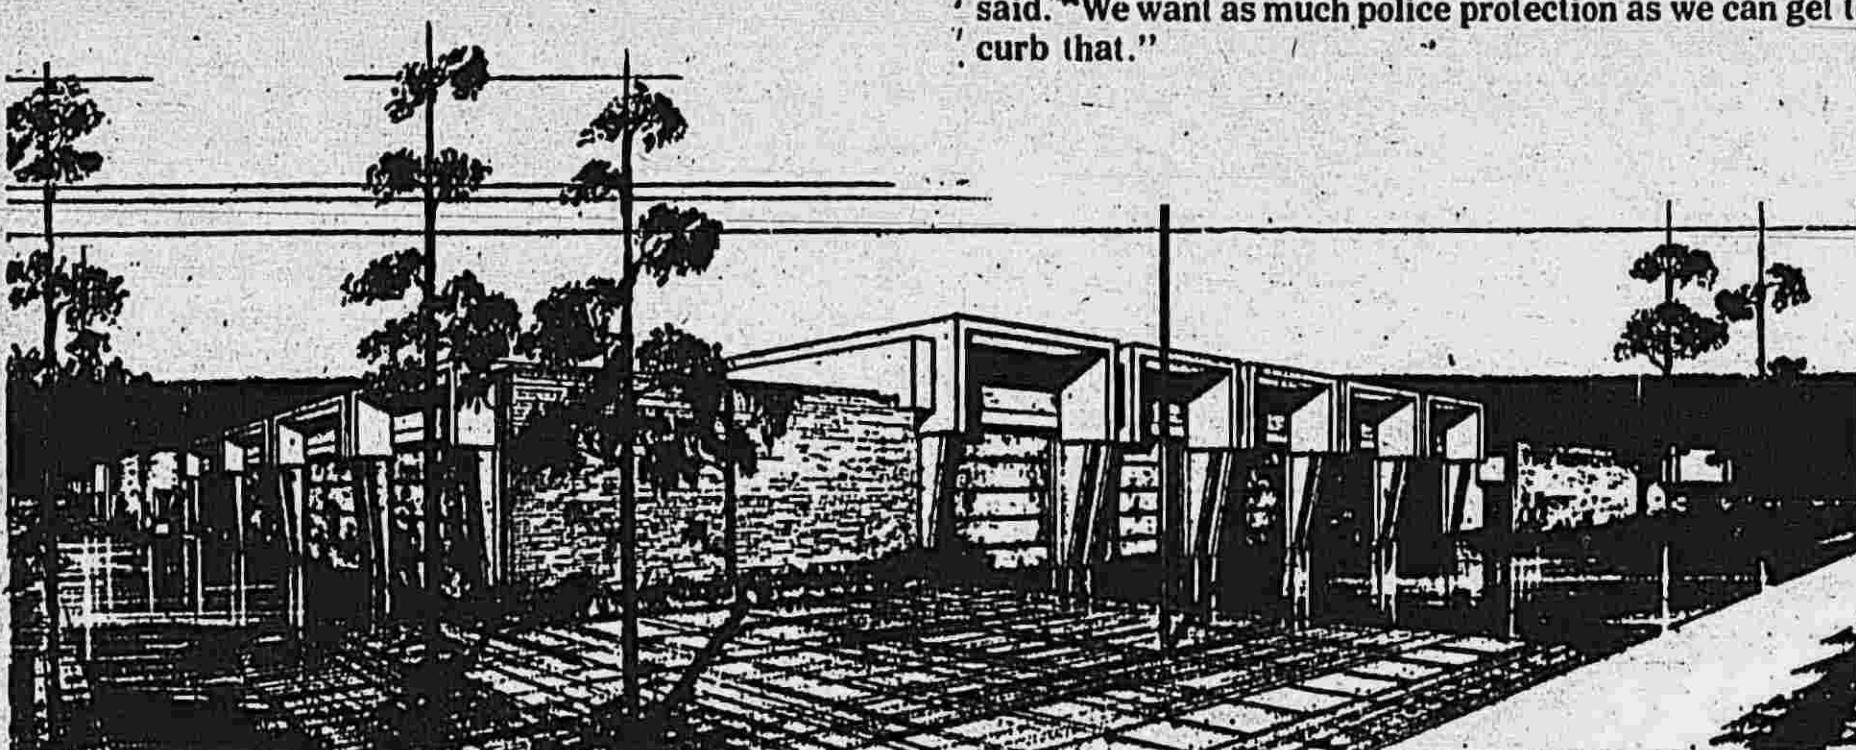

Trustee Vern (Barney) Barnstable said the village sidewalk repair program apparently can't be completed this fall.

"The contractor said he is too busy, the weather has been against him and he can't get cement finishers."

AS THE SHADOWS lengthened across Antioch High's football field last Saturday, the local athletes had reason to be proud. They were finishing their season with a 31-0 victory over Grayslake after the previous

week's stunning 39-12 win over Jacobs' Golden Eagles. Antioch players from right to left were Rich Packert (No. 78), Kenn Rosenbrock (23) and Jeff Thiel (64).

Thought for today

The old frustration of standing on the platform waiting for a train that just left has been replaced by the agony of waiting for one that will never arrive.

Roy Kufalk, former postmaster, dies

Roy I. Kufalk, Antioch's postmaster for 25 years until he retired in 1965, died Tuesday morning following a long illness.

Students use camp as classroom

Fifty-six Antioch seventh and eighth graders spent four days and three nights at Camp Timber-Lee in East Troy, Wis., over the Halloween weekend.

The trip was organized by the staff at the Upper Grade School including Mary Marshall, Kathie Goodwin, Maureen Musgrave, Bob Brown, Ken Anderson, Paul Epern and Mike Teeley.

They were assisted by two Antioch High School students, Jamie Vasek and Rich Zeman.

DURING THE TRIP the students were involved in environmental education activities designed around classroom subjects.

Science was taught as part of the edible plants; also, water testing, survival skills, farming and forest study.

Art skills included the use of natural materials and small art projects taught by Mrs. Goodwin.

Individual decision-making and problem solving skills

were built into the program.

Math was made a major part of the program when students had to use a set of map points and distances to find their lunch on Monday.

Language arts and story telling was a part of the campfire sing-a-long and "spook story" on Monday evening.

IN SPITE OF rain every day but Sunday, the students were enthusiastic and participated willingly in every activity, their teachers said.

Mr. Teeley said the students and staff "owe a great debt of thanks to the local businesses and organizations who helped support the trip: the State Bank of Antioch, Antioch Savings and Loan, Rotary Club, Lions Club, Antioch Jaycees, and the Northern Illinois Conservation Club."

"Without their willing support these students would not have had the benefits of this exciting experience," he said.

Deadline nears for tax relief

Senior and disabled Illinois citizens, who have not yet filed for state Circuit Breaker tax relief grants for any years between 1972 and 1976, have until Dec. 31 to apply with the state.

Information and forms are available through the Illinois departments of revenue and aging and from the office of Lt. Gov. Dave O'Neal.

Toll-free telephone numbers for Circuit Breaker forms or information are 800-252-8972 and 800-252-6565.

The state's senior citizens and disabled persons property tax relief act established in 1972, known as the Circuit Breaker law, provides up to \$500 a year in property tax relief. Also, \$100 in additional tax relief is available to Illinois citizens 65 and older or disabled who have annual household incomes of less than \$10,000.

Lecture on TM scheduled next Tuesday

Mary Murphy, a teacher of the Transcendental Meditation program, will be speaking on "TM and Human Potential" Tuesday, Nov. 15, at 7:30 p.m. at the Antioch Savings and Loan community room, 425 Lake St.

According to Jim Polley, communications director for the International Meditation Society, "Mary has recently returned from Maharishi International University where she has been studying recent breakthroughs in human potential and consciousness as a field of all possibilities."

The free public lecture will conclude with an

MARY MURPHY

explanation of how to begin the 7-step program, Polley said. There also will be a short question and answer period.

George Schoenleben wins grid contest

When George Schoenleben brought in his football contest entry last week, we had a hunch he might win. By, George, we were right.

Mr. Schoenleben picked Antioch to beat Grayslake by 35 points and the Sequoits triumphed by 31.

So, by George, he wins a \$15 gift certificate from Lyons-Ryan Ford and \$15 in cash from Laursen & Blackman Co., Contractors. We'll be sending out his prizes later this week.

SECOND PLACE WENT to one of our regular winners. We don't know how Shirley Gutowski does it, but she placed second by predicting a 26-point victory for Antioch.

So, Shirley wins a \$10 gift certificate from King's Drugs and a \$10 gift certificate from Gibbs and Jenssen's "Carousel."

Earlier in the season Shirley won another \$10 gift certificate from the "Carousel," and a \$15 guest certificate from Andre's Restaurant.

Jayce Redmer won third prize in last week's final football contest of the season. He picked Antioch by 25 points and won a \$10 gift certificate from Las Vegas Restaurant, plus a \$5 gift certificate from A&B Printing Service.

THE WINNER OF LAST WEEK'S \$5 gift certificate at Candlelight Galleries was Mike Koss, who forecast a 24 point win for Antioch.

More than 30 persons picked Antioch to win by at least two or three touchdowns, so there was no shortage of experts.

One entrant was right on target when he picked Antioch to win by 31 points but, unfortunately, he must have overlooked the line in the entry blank which said, "Only 1 entry per person."

The fellow who otherwise would have won, sent in three entries. We're awfully sorry, sir.

The annual Antioch News' basketball contest will begin later this month.

Ronald Reagan Speaks Out On Welfare 'Reform'

A recent CBS/New York Times poll showed that most people disapprove of government welfare and feel that most of those who receive it could get along without it.

The poll also showed that most people approve of individual welfare programs, such as free medical care for the poor, low food prices for the poor, and financial assistance for children in poor families.

The pollsters were struck by what they considered the inconsistency of disliking government welfare while approving of individual welfare programs.

But is there any real inconsistency? People recognize that government welfare is an expensive failure. They see that it improperly benefits many who are not poor at all, or who wouldn't be if the government didn't promote poverty. They approve the idea of helping people become self-supporting, but they don't approve of a government welfare system that encourages dependence and squanders taxes.

President Carter's proposal for "total reform" of welfare is now before Congress. It's a misleading proposal. It is not reform at all, but

the SOVEREIGN STATE of AFFAIRS

merely an expansion of present problems under new names. And it covers only 10 per cent of the government welfare system.

Carter left out of his so-called "total reform" plan:

- The child nutrition program. You may remember it as the school lunch program. Now it gives free breakfasts, lunches, and dinners to all kids, poor or not, in school or not, who live in designated "target" areas. Often these areas include well-to-do neighborhoods. Abuses of program intent are rampant. Last year the program cost \$2.4 billion, and costs are doubling every two years. Moreover, its benefits duplicate those of at least three other federal welfare programs.

Let's go back to 'the good old days'

By JERRY PFARR

Women school teachers really have it made these days. Not only are they paid as much as male teachers (something that doesn't happen in a lot of other fields) but they can loiter downtown in ice cream stores, smoke those nasty cigarettes, or even stop for a beer.

Good thing they weren't teaching 55 years ago.

A COPY OF WHAT is reputed to be a Wisconsin teacher's contract for 1922, calling for a salary of \$75 a month, was sent to us by a fellow who thought some of the clauses might be good ideas for 1978-79 contracts.

Here are the details:

Miss _____ agrees:

1. Not to get married. This contract becomes null and void immediately if the teacher marries.
2. Not have company with men.
3. To be home between the hours of 8 p.m. and 6 a.m. unless in attendance at a school function.
4. Not to loiter downtown in ice cream stores.
5. Not to leave town at any time without permission of the chairman of the Trustees.
6. Not to smoke cigarettes. This contract becomes null and void immediately if the teacher is found smoking.
7. Not to drink beer, wine or whisky. This contract becomes null and void immediately if the teacher is found drinking beer, wine or whisky.
8. Not to ride in a carriage or automobile with any man except her brother or father.
9. Not to dress in bright colors.
10. Not to dye her hair.
11. To wear at least two petticoats.
12. Not to wear dresses more than two inches above the ankles.
13. To keep the schoolroom clean:
 - a. To sweep the classroom floor at least once daily.
 - b. To scrub the classroom floor at least once weekly with soap and hot water.
 - c. To clean the blackboard at least once daily.
 - d. To start the fire at 7 a.m. so that the room will be warm at 8 a.m. when the children arrive.
14. Not to wear face powder, mascara or to paint the lips.

WE DON'T KNOW if school boards have the courage to return to the thinking of 1922, but the above conditions will apply, as of this moment, to the five young women working here at the Antioch News.

Hey, Jan, Rose, Linda, Sandy, Erlene ... why are you heading for the door?

Student 'sorry to see Meyer and Epner leave'

Gentlemen:

It really seems a shame that a fine person like Mr. Henry Meyer has to be fired, and a great teacher like Mr. Paul Epner opts to leave his chosen profession because of difficulties with the school board. It should be the members of the board leaving.

I may not know much about the politics of the school board, but I do know one thing. Last year when I was in 8th grade and head of the rocket launching held annually at the Upper Grade School, I personally invited every school board member to the launching. I received a definite yes that the president and several members of the board would be attending. When the three days of the launching arrived, not a single board member showed up or called to say they were sorry they couldn't come. It seems to be that if the school board members can't get interested in what the students are doing, they don't belong on the board.

I'm really sorry that these two good people have to leave, but perhaps that's what it takes to show people how unconcerned the board members are.

St. Peter's club pleased with bazaar

Dear Friends,

The ladies of St. Peter's Women's Club and I are deeply grateful to the people of Antioch and the surrounding area who so generously supported our Holiday Bazaar and Bake Sale last weekend. A profit in excess of \$2,000 was realized, and this money will be put to good use in the coming months to aid St. Peter's school.

I would also like to express my gratitude to my co-chairmen, Helen Gracyk, Margaret Belongia and Sheila Schroeder. Without their help in putting it all together, the task could not have been accomplished.

A big thank you is also due to all the people, both members and non-members, who spent so much of their time making the many items that were sold at the bazaar. I would list their names, but I would not wish to offend anyone by omitting a name.

MARGARET BELONGIA, CHAIRMAN of our bake sale, has asked me to publicly thank her co-workers, especially Adeline Goodrich, Fran Lombardo and Arlene Sokulski. She would also like to thank all of the wonderful ladies who brought the scrumptious selection of baked goods and homemade pickles, jellies and preserves.

Congratulations to all the winners of prizes. They included:

Irene Balfe of Evanston - Christmas wreath by Ann Kelly.

Vi Feldman of Antioch - embroidered picture by Loretta Schiffmann.

N.T. Teister of Antioch - handmade quilt.

Eva Fields of Antioch - red afghan.

Eileen Zannini of Antioch - multicolor afghan.

Jane Kish of Antioch - baby afghan.

Thelma Anderson of Antioch - collectors doll by Pearl Roach.

Also, Jean Balfe of Spring Grove, Alice Finnegan of Lake Villa, Vi Feldman of Antioch, LaVerne Newton of Antioch, Julie Svensson of Park Ridge and Nancy Trayes of Antioch.

ANY WHO HAVE NOT received their prizes can contact Florence Eckerl at 395-3616.

Prizes awarded only to those attending the bazaar were won by Henry Hermes, Helen McLean, Kerry Kelly and Robert Doherty, all of Antioch.

A gift certificate from The Beauty Shop was also awarded to a lucky winner.

The Time Machine

50 YEARS AGO: NOVEMBER 10, 1927

H.R. Smith, manager of the Crystal Theatre, is securing motion pic-views of Antioch and of Libertyville game. The films are to include also views of Antioch and Libertyville scenes and will be shown at the local theatre next week. This is an exceptional honor for the local team as the films will be made and brought to Antioch at a heavy expense to the theatre and the local pugskin artists will make every effort to make the moving pictures a record of victory.

The first flakes of snow to put in their appearance for the 1927-28 winter season fell last Friday afternoon but vanished as they fell. Early risers Tuesday morning reported a light blanket of snow on the ground but it melted at once.

Roy Kufalk is beginning a six day vacation from his duties at the post office today. He will spend the holiday pheasant hunting.

20 YEARS AGO: NOVEMBER 7, 1957

A transaction is to be completed today by which Russell Barnstable of the firm of Barnstable and Brogan, will purchase from William Rosing the building on Main street recently vacated by the National Food Co.

Trustee Herman Holbek was giving his report as chairman of the police committee before the Village Board.

"We took care of one stray dog under the new dog ordinance in October," he said.

Then his face reddened as he continued. "It belonged to Mayor Cunningham, and was picked up and taken home."

Mayor Cunningham grinned as he recalled that the dog ordinance was of his own promotion.

Members of the Antioch High School Radio club have been listening to the chirps of the second Russian satellite.

Members of the club have picked up the signals on the 40 megacycle band on the club's communications receiver. At least, one of the boys, Charles Bruhn, has heard the signals on his own equipment.

10 YEARS AGO: NOVEMBER 9, 1967

PM&L's "Ready When You Are, C.B.!" opened last Friday evening, with solid performances given by its cast. The two-act comedy by Susan Slade was nicely paced, light and lively.

Mavourneen Scolaro as Annie and Robert Andresen as Jonas kept the set alive with a smooth handling of props and a believable delivery of lines. Carol Brandy as Fran played a pleasant foil to her friend, Annie, Gloria Davis using a wardrobe so garish and colorful that each new costume seen by the audience brought forth chuckles, merrily romping through the role of Felicia. Onstage for an all-too-short ten minutes, Dee D'Iso as Sadie, gave a fine interpretation of Jonas' Jewish mother.

\$200 is first prize in 'Shopping Spree'

The retail group of the Antioch Chamber of Commerce and Industry is sponsoring a Shopping Spree from Wednesday, Nov. 16, to Tuesday, Nov. 22.

There will be a \$10 gift certificate awarded at each participating Chamber member store.

There also will be three grand prize gift certificate winners. The first prize will be \$200 in certificates; second prize - \$100 in certificates; and third prize - \$50 in certificates, all of which will be redeemable in any participating store.

More details will be announced next week.

THE CHAMBER HAS also begun a new service to

Antioch - a community calendar.

The purpose is to prevent two organizations scheduling events for the same day.

"Please help! Call the Chamber office at 395-3381 with any events you have scheduled, even if they are the 'annuals' that are run on a specific day each year," said Nancy M. Kinas, executive secretary.

"We hope to be able to have people call the Chamber office before scheduling an event to see if they will be conflicting with anything already scheduled. Our endeavor can only be successful with everyone's cooperation," Mrs. Kinas said.

Along the way with ANNIE MAE

This is a sad story but, maybe because of the generosity of people from Antioch and surrounding areas, it might turn out to be a heartwarming one.

Two-year-old Mike Rebellato of Round Lake has leukemia. His insurance will be running out soon, but friends are starting a fund - the Michael Rebellato fund - so that the little guy can go to a cancer hospital in Seattle, Wash.

He will be accompanied by his dad, John, and a 6-year-old brother, also named John, who will provide little Mike with a bone marrow transplant that could save his life.

MIKE'S MOM, ELLEN Rebellato isn't well and she'll be staying home with the family's two other children.

There's a waiting list at the Seattle hospital and Mike is now ninth in line. While they're hoping the surgery can be performed soon, the family will be without an income.

An Antioch gal, Joanne Kitterman, works with Mr. Rebellato at Baxter Lab and the fund for little Mike was her idea.

The State Bank of Antioch has agreed to accept donations. They should be made out to the "Michael

Rebellato Fund." A lot of money is needed and already a lot of our friends are coming up with ideas to raise it.

Pres Reckers at the State Bank said he'll have more information for us next week. We'll keep you posted, and you'll help if you can, won't you?

MR. AND MRS. JOSEPH E. HORTON of Antioch are proud great-grand-parents.

Mr. and Mrs. Don Smock of Indianapolis had a baby daughter, MacKenzie Tess, born Oct. 27.

The grandparents are Mrs. Lowell F. Smock (nee Gertrude Horton) and the late Lowell F. Smock of Burlington, Wis.

JEANNINE LEONHART says she and her husband Joe now have three-fifths of their all-girl basketball team.

Little Jessica Jill arrived Oct. 22 at McHenry hospital. Waiting for her at home were two big sisters: Jennifer, 2½ years, and Jayme, 16 months.

The Leonharts live in Oakwood Knolls. So do the grandparents, Arnold and Mabel Lou Weber, and Ann Leonhart.

2 cyclists hurt fleeing from police

Two Antioch youths were injured last Wednesday when their motorcycle spilled while they were being chased by an Antioch policeman on North Ave. east of Antioch.

Treated at the Antioch Clinic were a 16-year-old, who was driving the motorcycle, and Robert A. Robinson, 18.

The juvenile was cited for reckless driving, fleeing and eluding police and for having no license plates.

Officer William Kukla said the motorcycle driver was attempting to escape when he lost control on a curve while going east on North Ave.

Donna Crichton weds Mr. Greg Adanek

The garden of the Country Squire in Grayslake was the setting when Donna L. Crichton and Greg Zdanek exchanged wedding vows before the Rev. Stephen Williams.

The bride is the daughter of Mr. and Mrs. Gerald Crichton of Lake Villa. Greg's parents are Mr. and Mrs. Hank Zdanek of Summit.

The flowers carried by the former Miss Crichton and her attendants were grown and arranged by her grandmother, Mrs. Einar Petersen.

Debbie Toft of Antioch was the maid of honor and the bride's sister, Mrs. Linda Birdwell, also of Antioch, was matron of honor.

Best man at the morning ceremony was Doug Guldau of Crooked Lake.

After a garden reception, the newlyweds left for a honeymoon on the island of Aruba off the coast of South America.

The bride is employed at the Illinois Bell Telephone Co. in Highland Park. The groom is an accountant for Kemper Insurance in Long Grove.

FRED HERDT, a former employee of the Antioch police department, is now living in Herscher, Ill., enjoying his hobby of raising show birds such as pigeons and mourning doves. Fred has won numerous awards in Wisconsin, Indiana and other states. Above, he holds a trophy which he won at the Kankakee County Fair and Exposition with his best Indian white fantail "grand champion" pigeon.

Burglar alarm helps police nab suspect

An 18-year-old Antioch youth was arrested last Thursday as a suspect in a burglary at the Antioch Bowl on Rte. 173.

Sgt. Thomas Fisher said the suspect was scheduled to appear for a bond hearing in Lake County Circuit Court.

The young man was taken into custody by officers Charles Watkins and Roger Lange who

went to the bowling alley after police were alerted of the break-in which was recorded on a panel at police headquarters.

Fisher said the burglar alarm was tripped when a hole was made in a wall in a construction area in order to enter the bowling alley.

Police were admitted to the building by owner, Joe Sterbenz, Lange and Wat-

kins found the suspect standing on top of a stool placed on the bar.

The policemen said the 18-year-old apparently was trying to enter a false ceiling wall to hide.

State Bank has its annual Halloween fun

The State Bank of Antioch held its annual costume party on Halloween, Oct. 31, right during working hours.

After customers had surprises and laughs when they came in to do their banking,

the employees paraded for judging by their fellow workers after closing.

Runnersup, at left, were "flapper" Merrily Brubaker, "Little Sprout" Marlene Fernandez and "convict" Daina Irmel.

STRIKING SOMETHING LESS than the classic golfing pose was Carolyn Blanchette, whose form wasn't as good as usual on Halloween, but her padded costume was a delightful spoof of the old Scottish golf pros.

The Town Crier

HEAR YE, HEAR YE!

How far can a helium-filled balloon fly? On July 4, 1976, adults and youngsters released a lot of balloons, filled with helium, from the Antioch Savings & Loan Association.

The return address was printed on each of them and so was the American flag, in honor of the bicentennial year.

A couple of weeks ago the Savings & Loan received one deflated balloon along with a letter from South Humberside, England:

It was dated Oct. 16, 1977, and the letter written by Anthony Bedford of England said:

"I found your balloon in our yard at work on Grimsby dock. It must have been a couple of months ago ... I put it in my car and forgot all about it until today when I was cleaning out the car. Yours sincerely, A.P. Bedford."

DID THE BALLOON fly all the way over the ocean and descend in South Humberside? Or did someone carry it there?

It isn't totally unrealistic that a helium-filled balloon could fly that far, so we prefer to believe it happened.

Any balloon experts out there? We'd appreciate hearing your opinion.

Kids are so big these days that there just has to be something about potato chips and soda pop that nutritionists haven't been telling us.

If the pro football season were called off now, think of all the suffering it will save on Sunday afternoons.

ENJOYING ALLENDALE SCHOOL'S 80th anniversary celebration were (from left) Walter Cherry, owner of Cherry Electric in Waukegan and president of the board at Allendale; resident students Gary Zankel and Frank McKenna (a member of the school's Boy Scout troop), and Robert Holway, executive director at Allendale.

Tours of cottages and other buildings were followed by dinner, a movie on the school's recreation program and the annual Halloween dance. Guests included supporters of the school, administrators of similar agencies, and local, state and public officials.

'First Bank' celebrates Halloween

THE FIRST National Bank of Antioch got all dressed up for Halloween last week and the costumes were enjoyed by customers and employees alike.

Above is Eric VanPatten as the "Great Pumpkin," posing with his "friends" Snoopy and Linus.

Eric's mom, Carolyn, is an officer at the "First Bank."

THE MOST ORIGINAL costumes, according to the voting and obvious from this photo, were worn by Marcia Zelinski (left) and Cathy Hrabak.

BANK PRESIDENT LaVerne Woods (left) and vice president Peter J. Cleven (as the Jolly Green Giant), participated in the fun.

FELLOW EMPLOYEES voted "the funniest costume" award to Carolyn Van Patten (left) while Geisha girl Diane Nedza had "the best costume." (Photos by Mary Owens.)

THE FASHION PLACE

What's your fashion image? There was a time when we all used to be carbon copies of everyone else from our little black dresses down to our short white gloves. We wore a specific kind of outfit for a specific occasion, and we had a different assortment of clothes for each season. Fashion was safe, but not much fun...

Next came the upheaval of the *Anything Goes* way of dressing in the 1960s and early '70s. Happily, both the old rigid thinking about clothes and the more recent costume party looks have gone by the wayside, leaving a wonderful new freedom in the way we can choose to dress. At the same time, these new options mean that we have to do some work to assemble a wardrobe that's really pulled together.

Consider your own personal style. You may feel more at home in classic understated clothes. Perhaps you lean toward sophisticated looks—or easy sportive outfits. What's your lifestyle? It may center around home and community activities. Perhaps you have a career or are planning to go back to work after a time at home...or maybe you plan to combine both a family and a career. Because your clothes must fit your lifestyle, do get to know yourself.

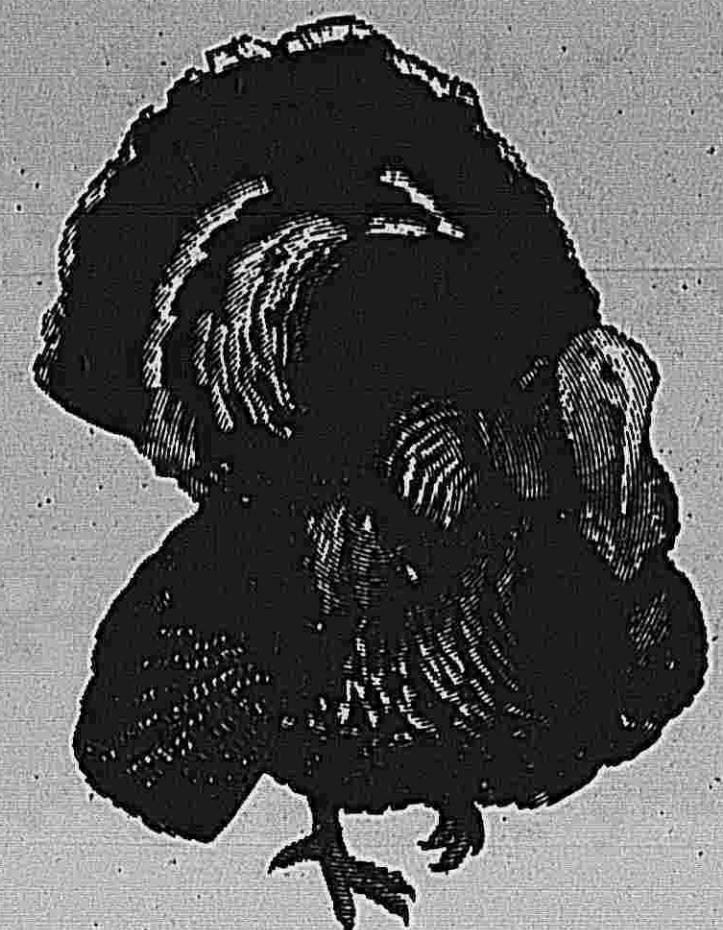

At the same time, please don't be locked into a fixed idea of how you should dress. You may be missing a terrific new look; perhaps one that will help you appear fresher and more contemporary than you do right this minute.

High School troupe prepares for musical, 'Guys and Dolls'

"Guys and Dolls," a musical fable of Broadway, will be presented at Antioch High School on Thursday, Friday Saturday and Sunday, Nov. 17, 18, 19 and 20.

Curtain time for all performances will be 7:30 p.m.

Described by more than one critic as almost the perfect musical, the Antioch High School "Guys and Dolls" has not one but two nearly perfect casts, said Ken Smouse, director of the show.

DOREEN KANE will star as Sarah, the Salvation Army girl, in "Guys and Dolls" at Antioch High School. Jean Simmons had the part in the original movie. Bob Hunley (right) also has a featured roll. (Photos by Michael Ament.)

The leading role of Sarah, the "mission doll," is played by Doreen Kane and Janet Nordstrom; the role of Adelaide, the "famous fiance," is shared by Jenny Beese and Jane Breest; and Nathan Detroit, operator of the largest floating crap game in New York, is portrayed by Jim Bakula and Richard Eachandia.

General Cartwright will be played by Joy Bowman and Lori Rush, and the role of Arvide Abernathy is shared by Bob Hunley and Neal Fossum. Sky Masterson is portrayed by Jim Ditturo.

All in all, "some 50 young people make up the cast of "Guys and Dolls" and promise a truly exciting night of theatre as they bring to you such musical numbers as 'Luck Be a Lady,' 'If I Were a Bell,' 'A Bushel and a Peck,' 'Take Back Your Mink,' and 'Sit Down You're Rocking the Boat.'

Tickets will be sold at the door and from members of the cast.

TWO CASTS will alternate in performances of "Guys and Dolls" at Antioch High School Nov. 17 to 20. In one, Adelaide will be played by Jane Breest.

"SKY MASTERSON" will be played by Jim Ditturo. Marlon Brando was "Sky" in the movie version 20 years ago.

A COMMUNITY MEETING ROOM is one of the advantages of the new township hall. Large windows, from ceiling to floor, are outstanding

features of the meeting room as well as the offices of the supervisor, assessor and clerk.

Open House planned by township

Antioch's new township hall on Rte. 173 will be shown to the public on Sunday, Nov. 20, when Supervisor Jim Fields and former supervisor Lloyd (Red) Murrie are hosts at an "open house."

The event will be held from 1 to 4 p.m. and "Everyone in the township is invited," Fields said.

Hors d'oeuvres and coffee will be served.

"We want people to see what we have," said Fields, referring to the neat, new building in which township officials now conduct their business.

JIM FIELDS was elected Antioch Township supervisor last April when Lloyd E. (Red) Murrie stepped down after 22 years in the post. Fields, who also is captain of the Antioch Rescue Squad, will greet residents of the township along with Murrie when an open house is held at the new town hall on Rte. 173, east of Hy. 83.

THIS IS A VIEW of the entrance to the new township hall, as seen from the desks of township employees. About 22 years ago when Lloyd E. (Red) Murrie was elected supervisor, the township leased a service

station for its headquarters. In 1965 the office was moved to the village hall complex on Main St., and now it serves more than 14,000 people in a functional new building.

Antioch sophs win championship

Antioch's sophomore football team ended the 1977 season on a happy note Saturday by dominating the Grayslake Rams 30-0 before a home "Parents Day" crowd.

The "Soph Sequoits" finished with a 6-3 overall record and a perfect 5-0 conference mark. They earned sole possession of first place in the North Division of their conference.

IT TOOK THE inspired Sequoits just 13 seconds to get on the scoreboard as Greg Stevens raced 85 yards on the opening kickoff, behind fine blocking, to give Antioch a 6-0 lead. Dan Behne kicked the PAT.

The next series saw Antioch move to the Ram 8-yard line before a 4th down and 3-yard effort fell 2 yards short.

The Rams were unable to move and were forced to punt from deep in their own endzone.

Tim Plett's tackle in the endzone gave the Sequoits a 2-point safety.

On the free kick following the safety, Denis Flaschner returned the ball 23 yards to set up the next Sequoit score. With 2:03 remaining in the first quarter, Antioch quarterback Jim Sertic threw a 30-yard strike to tight end Behne, giving the Sequoits a 15-0 lead.

Scott Petersen completed the first quarter Sequoit "BLITZ" by running back an intercepted Grayslake pass 28 yards for another Antioch score, 22-0.

The final score of the day came into the second period when Greg Stevens raced around left end for a 46-yard touchdown.

DEFENSIVELY, THE SEQUOITS were very impressive, allowing Grayslake a negative 9 yards rushing and only 29 yards passing.

The Sequoits were led by interceptions by Scott Petersen, Dan Verkeyn; Keith Beyer and a fumble recovery by Jim Davis.

The second offensive and defensive units played the entire second half for Antioch and were credited by coaches with an excellent performance.

Coach Steve Wapon said "the victory was truly a team win as every team member was able to get a good amount of playing time and game experience."

"Much of the credit for our success must go to assistant coach Steve Scott for his excellent work with our defensive unit," Wapon said. "Also, we have been fortunate to have Steve Eddy, currently completing his student teaching assignment at Antioch High School, as an assistant coach. These men are a real asset to our football program."

SOPH TEAM MEMBERS were: Jeff Andre, John Aschbacher, Brian Beal, Gary Becker, Dan Behne, Keith Beyer, Phil Bielawski, Greg Bies, Michael Blake, John Blue, Chuck Bogaerts and Scott Buxton.

Mitch Case, Steve Cooper, Jeff Crichton, Jim Davis, John Donelson, John Eckert, Timothy Ernstmeyer, Denis Flaschner, Jim Mancuso, Jim McCormick, Bruce Mitchell and Ron Nauman.

Ken Nieze, Scott Petersen, Tim Plett, James Sertic, Dean Sheridan, Greg Stevens, James Stroschein, Ken

Torkelson, Tom Tudor, Dave Unrein, Daniel Verkeyn, Keith Wagner and Tim Webb.

CLC is offering Everglades trip

This winter you can experience the Everglades and earn three semester hours of college credit.

The College of Lake County is offering a canoe camping trip along the Wilderness Waterway in Everglades National Park in Florida from Dec. 27 through Jan. 8.

Because most of the 2,120 square miles of the park are inaccessible by anything other than small boats, participants will visit a wilderness area seldom seen.

Michael Corn, biology instructor at CLC and guide for the canoe trip, says the wilderness course will allow students to become acquainted with and proficient at canoe camping and acquire an appreciation of the natural resources of one of the most ecologically precarious wilderness areas in the United States.

After filling out an application form (available from Corn), participants must register for the course during appointment registration, scheduled Nov. 28 to Dec. 8 at the college.

Cost of the trip, including transportation, lodging, meals, tuition, fees and required textbooks, is estimated at \$219. The college will provide canoes, paddles, life jackets and a canoe trailer.

Lightweights top loop, lose playoff

The Antioch Viking Lightweights lost a hotly contested playoff game against a tough Highland Park team 6-0 Sunday at Mundelein.

The score at the end of regulation time of the defensive duel was 0-0. The Highland Park Giants scored in sudden death overtime on the third attempt, ending the game 6-0 following the Vikings' failure to make the touchdown.

The Vikings entered the playoff game with a 7-1 record and champions of the North division. Highland Park posted a 6-2 record as leaders of the East division. The Giants haven't had a team score against them in the last five games.

The Vikings opened play by marching 60 yards in an offensive effort quarterbacked by Tom Haviland. The drive was halted on the 10-yard line by the Giant defense.

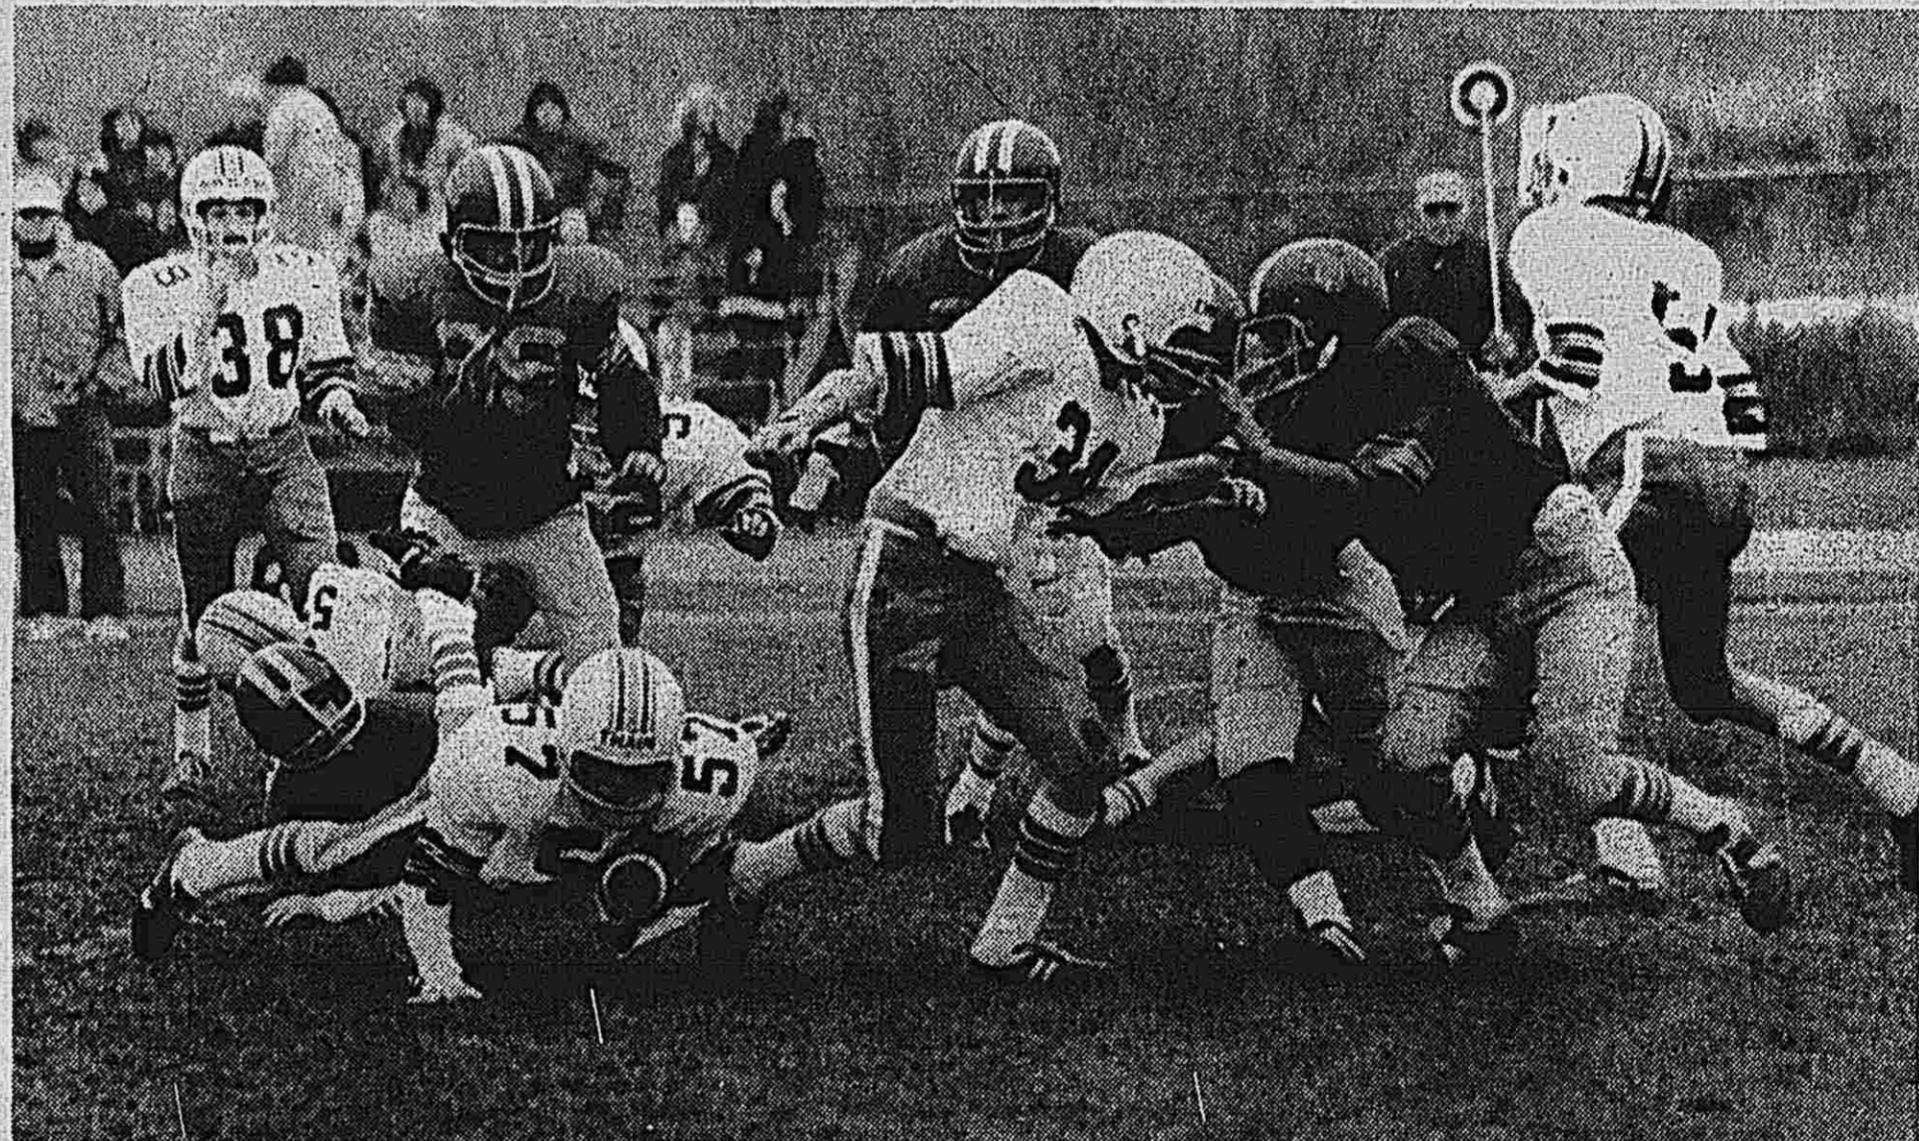

Highland Park threatened several times in the third and fourth quarters but was stopped short by the Viking defense.

Coaches Jack Humphreys and Russ Lehn praised "the fine Antioch team effort and good sportsmanship exhibited by all the boys."

"It was a real heartbreaker. The boys really gave 100 percent of themselves," the coaches said.

The Lightweights finished the season with a 7-2 record. The only conference loss was the first game of the season against Winnetka.

During the regular season the Viking Lightweights scored 169 points while giving up only 41. Their opponents were held scoreless in four games.

Sequoits finish with a 31-0 victory

Antioch's Sequoits wrapped up the 1977 football season with a 4-5 record last Saturday.

But if you asked Jacobs' Golden Eagles or Grayslake's Rams, they'd probably tell you they thought they were playing Woodstock or Warren in the last two games.

On Oct. 29, Antioch slaughtered Jacobs 39-12 and then, last Saturday, the Sequoits trounced Grayslake 31-0.

WHAT A FINISH to Antioch's season! The Sequoits outscored their last two opponents 70-12.

The trouble with Antioch's season was that the tough teams came too early in the schedule.

Warren finished with an 8-1 record and topped the North Division of the Northwest Suburban Conference. Actually, Stevenson, Warren and Grant shared the title with 4-1 records, but Warren received the state playoff berth against Love's park Harlem (6-3) in Rockford Wednesday afternoon.

Woodstock (9-0) topped the conference's South Division and will host Lake Forest (7-2) Wednesday.

BUT THOSE TEAMS aren't as important here as the Sequoits who finished so brilliantly in their last two games.

Actually, the Antioch varsity won three of its last four games.

Against Grayslake, early in the game Antioch was forced to punt from its own 48-yard line. Senior Al Roth

booted the ball down to the Grayslake 6-yard line where junior guard Jeff Thiel tackled the Grayslake running back, forced him to fumble and recovered the fumble.

Antioch's offense in two plays scored its first touchdown, senior back Kenn Rosenbrock plunging in from the one.

In the middle of the second quarter Antioch drove from its own 27 to score the second touchdown.

The big plays were an 18-yard pass from senior Tom Dixon to Tim Huebner and a 39-yard run by junior Gene Lehn.

From the 1-yard line, senior Al Moore scored.

Three minutes later senior defensive back Paul Heffernan intercepted a Grayslake pass and scampered

37 yards for Antioch's third touchdown.

Moore provided the extra point kick. The score at the half was Antioch 19, Grayslake 0.

IN THE MIDDLE of the third quarter Antioch mounted a drive from its own 20 to score the fourth touchdown. Most of the yardage was covered by two big plays, a 50-yard pass from Dixon to Tim Huebner and a "Statue of Liberty" play to senior flanker Jeff Mulder, good for 13 yards. The touchdown was scored by Mulder on a 4-yard pass from Dixon.

Antioch's last score was set up by a fourth-quarter fumble recovery by senior defensive end Mike Miholovich. It took Antioch four plays to cover 34 yards and senior Tom Huebner scored from the 7.

THE ANTIOCH-OFFENSE gained 165 yards rushing and 96 passing. The defense held Grayslake to 65 yards rushing and 34 passing.

The defense also forced Grayslake to punt 5 times, forced 3 interceptions and 4 fumbles.

The year ended with a 4-5 record overall and 2-3 record in the conference.

ONCE AGAIN, JUNIOR running back Gene Lehn was the leading ball-carrier for Antioch. He ripped through the
